

Pennsylvania Department of Transportation's (PennDOT) Rapid Bridge Replacement Projects in our area include:

Route 34 (Carlisle Road) bridge, spanning Hunters Run in South Middleton Township, Cumberland County, was reduced to one lane on June 4. Traffic will be controlled by a traffic light and should be completed by the end of the year.

Aspers North Road (State Route 4006) over Opossum Creek in Menallen Township, Adams County, closed the week of August 27. Traffic is currently detoured onto Route 34 and Center Mills RD. The bridge is expected to reopen in November.
